

**Come Unto Me**  
**The Mavericks**

Am/E/Am - 2x

[Verse 1]

**Am** **E**  
If your world has only done you wrong  
**Am**  
And all you find yourself is all alone  
**E**  
And if there s no one there to see you through  
**Am**  
I ll be there for you

[Verse 2]

**E**  
And in your darkest hour I ll be light  
**Am**  
I ll be your beacon through the longest night  
**E**  
Like Samson and Delilah once again  
**Am**  
Until the bitter end

[Bridge]

**E**  
There is nothing that anyone can say to me  
  
To persuade me to change my mind needlessly  
**E**  
For here I am and I will stay  
**E**  
To long for you in every way  
**E**  
To love you better, come what may  
**E**  
To fight for you another day, day, day

[Chorus]

**E** **Am** **E**  
Come unto me  
**E** **Am** **E**  
Come unto me  
**E** **Am** **E**  
Come unto me  
**E** **Am** **E**  
Come unto me

[Bridge]

**E** **E**  
There is nothing that anyone can say to me  
**E** **E**  
To persuade me to change my mind needlessly  
**E** **E**  
For here I am and I will stay  
**E** **E**  
To long for you in every way  
**E** **E**  
To love you better, come what may  
**E** **E**  
To fight for you another day, day, day

[Chorus]

**E** **Am** **E**  
Come unto me  
**E** **Am** **E**  
Come unto me  
**E** **Am** **E**  
Come unto me  
**E** **Am** **E**  
Come unto me
