

I Should Know
The Mavericks

F C7
Every night alone
F C7
Every night I spent without you
F Bb
Every little thing about you
F C7
Runs right through my mind

F C7
I wonder where you are
F C7
And do you ever think about me
F Bb
And if you get the feeling that There s
F C7
something missing too

F Dm
But I should know
C# C7
You ll never come back to me
F Dm C# C7
Even though I will always love you
F
I should know

F C7
I m the one to blame
F C7
Something I did fine without you
F Bb
Thought I could fool myself
F C7
And tell me everything s alright

F C7
Every night alone
F C7
And every night I spent without you
F Bb
Every little thing about you
F C7
Runs right through my mind

F Dm

But I should know

C# **C7**

You ll never come back to me

F **Dm** **C#** **C7**

Even though I will always love you

F

I should know

F **Dm**

I should know

C# **C7**

You ll never come back to me

F **Dm** **C#** **C7**

Even though I will always love you

I should

F **Dm**

I should know

C# **C7**

You ll never come back to me

F **Dm** **C#** **C7**

Even though I will always love you
