

Candy  
The Men

Bb 688766

[Intro]

F C Bb F

[Verse]

C

I just quit my job

Bb

Now I can stay out all night long

F C

Where my mind is tomorrow

Bb

C

Don't matter til the dawn

F C

Can go to a million places

Bb

C

Can sing a thousand songs

F C

Until my mind is made up

Bb

F

I'll be really really gone

C

When was the last time

Bb

C

You were able to take a breath?

F C

To not give in, be sore and sin

Bb

Or to be a nervous wreck

F

C

I've been to the darkest places

Bb

I've been a total mess

F

C

I picked up what I could

Bb

C

And I laughed off all the rest

G Bb

When I hear the radio play

F

Bb

I don't care that it's not me

G Bb

Remember the days I'd shout anything

F Bb

For you to see me

**G**                    **Bb**                    **F**  
 I could never sing now my voice  
      **Bb**                    **G**  
 Is free  
                  **Bb**                    **C**  
 Now my voice is...

[Verse]

**C**  
 I just quit my job  
                                  **Bb**  
 Now I can stay out all night long  
**F**                                    **C**  
 Where my mind is tomorrow  
                  **Bb**                                    **C**  
 Don't matter til the dawn  
**F**                                    **C**  
 Can go to a million places  
                  **Bb**                                    **C**  
 Can sing a thousand songs  
**F**                                    **C**  
 Until my mind is made up  
                  **Bb**                                    **F**  
 I'll be really really gone  
                                  **C**  
 When was the last time  
                  **Bb**                                    **C**  
 You were able to take a breath?  
                  **F**                    **C**  
 To not give in, be sore and sin  
                  **Bb**  
 Or to be a nervous wreck  
                  **F**                                    **C**  
 I've been to the darkest places  
                  **Bb**  
 I've been a total mess  
**F**                                    **C**  
 I picked up what I could  
                  **Bb**                                    **C**  
 And I laughed off all the rest  
**G**                                    **Bb**  
 When I hear the radio play  
                  **F**                                    **Bb**  
 I don't care that it's not me  
**G**                                    **Bb**  
 Remember the days I'd shout anything  
**F**                                    **Bb**  
 For you to see me  
                  **G**                    **Bb**                    **F**  
 I could never sing now my voice  
                  **Bb**                    **G**  
 Is free  
                  **Bb**                    **C**

Now my voice is...
