Mexican Guitars The Menzingers

______ Mexican Guitars - The Menzingers - On The Impossible Past Half Step Tuning (D#G#C#F#A#D#) Arranged by Jack Cookson (Torn_Asunder) Chords used: Mute/Don t play the strings marked with an x \mathbf{D} (x00232) **A** (x02220)**G** (320033) **Bm** (x24432) **F#m** (244222) Intro: D, A, D, A, G Verse One: D A You were an old friend The kind I could confide in D A G Bm And drink with on random neighbour s porch steps G Our glossy eyes painted portraits of the streets Repeat Intro Verse Two: D A G You were an old friend That covered up your innocence D A G \mathbf{Bm} With five tattoos of all the bands you loved in high school G The ones you said that I had to listen to all the time Verse Three: I did what I did to get away from this Cause everything that s happened has left me a total wreck

D And everything that I do now is meaningless So I m off to wander around the world for a little bit Without one hundred channels with nothing on the TV G And the great pessimistic unknown Chorus: So does anyone know the best way to go? Which road that I could take to get to Mexico? Cause I m so sick of living in this ditch With only the memory in the back of my head Outro: BmI m on cruise control and the radio was on Yeah, they were playing that song That we both learned on our Mexican guitars I m on cruise control and the radio was on They were playing that song That we both learned on our Mexican guitars On our Mexican guitars, on our Mexican guitars On our Mexican guitars, on our Mexican guitars G F#m You were my old friend
