Intro: Aadd11

Aadd11 **Bm** Aadd11
My body stopped moving and quickly got cold.

Bm **C#m** **D** **E** Aadd11
I made my escape through exhaling lungs and watched my body run away.

Aadd11
Nobody noticed my misty escape.
And I ended up floating like water in the air

Bm
to the glowy ocean side, above the pounding of waves.

C#m **D** **E** Aadd11
That s where you showed up on the foggiest day.

Bm Aadd11
From high above you, I saw your earthly body wrapped in wool.

Bm Aadd11
The glow surrounds you
and when you breathed in, I felt the pull.
