**Cmaj7**                    Dmin7  
let it all come down again  
**Ebmaj7**                    **G**  
rise and fall, young and old  
**Cmaj7**                    Dmin7  
let it all crash down on us  
**Ebmaj7**  
we need it

**Cm**  
the fall of man  
**Bbm**  
the younger bred  
**Cm**  
we lift our heads  
**Bbm**  
come quick

**Cmaj7**                    Dmin7  
let it rush right back to us  
**Ebmaj7**                    **G**
