Sorry for the obscure chords and horrible tabbing. If you watch the live lounge footage in the link below it will be much easier to figure out where everything belongs rhythmically.

It's basically a barre chord with your ring and pinky fingers occasionally moving to change notes.

These notes are played during the introduction of the character.

```

e |-----|
B |-----5--5---5---5---1---6-----|
G |-----5--5---5---5---1---6---5---5-----|
D |----7--7---5---5---3---8---7---7-----|
A |---7--7---7---5---3---8---7---7-----|
E |--5--5---8---7---1---6---5---5-----|

```

Repeat these chords and the entire "measure" as needed

```

e |-----|
B |-----|
G |--5--5555-----5-555-----5-555-----1-111-----6-666-----|
D |--7--7777-----5-555-----5-555-----3-333-----8-888-----|

E |--5--5555-----8-----8-888---7---7-777---1---1-111---6---6-666-----|

```

These are the higher noted chords at "A seagull screamed".
