## We Want Blood The Mighty Stef

I ve been looking for ages for these chords. So Idecided to try to get them right myself. It s from watching live clips and listening to the song, basically. There might be errors in the lyrics and the chords, but it s better than nothing, right? Also, this is my first contribution.

WE WANT BLOOD BY THE MIGHTY STEF

In the key of C

Standard Tuning

C

Well, I m drunk as a parished priest on the lies that you told us  ${\bf F}$ 

I m sick to the fucking teeth of the excuses that you sold us  $% \left( 1\right) =\left( 1\right) +\left( 1$ 

C Em/B Am

Wondering how long in your thoughts you might hold us

D G

Hey man you re no good

C

I no longer believe you got my best interests in your heart  $\mathbf{r}$ 

I should ve known better than believe that from the start

C Em/B Am

Hey, Mr. Politician its time to depart

F G C

we want blood

F

We want blood

C

We want blood

C /B /A G

Let that scarlet red river turn our cities into mud

C E Am

I ve heard all the lies that I m ever gonna wanna hear now

F G C

We want blood

C

You made promises that you couldn t keep well I guess that s all right  ${f F}$ 

```
But whose gonna take my baby out dancing tonight?
                            Em/B
Is my daddy s gonna have to work till the day that he dies
Like he said that he would?
Let the down-trodden rise with a fire in their soul
Let the song of the working man make your heart whole
        Em/B
                     Am
How many times do you need to be told
F G
     C
we want blood
        F
We want blood
We want blood
                                           /B /A G
Let that scarlet red river turn our cities into mud
I ve heard all the lies that I m ever gonna wanna hear now
We want blood
Indigo, indigo, indigo
Indigo, crimson and black
All the colours of the flag that I hoist up in the air
When I ve taken my dignity back!
Let the down-trodden rise with a fire in their soul
Let the song of the working man make your heart whole
        Em/B
                      Αm
How many times do you need to be told
F G
       C
we want blood
       F
We want blood
We want blood
                                           /B /A G
Let that scarlet red river turn our cities into mud
I ve heard all the lies that I m ever gonna wanna hear now
```

F G C

We want blood
