

Money Is Not A Thing  
The Mile After

**D**  
This won't be easy,  
**A Bmaj7**  
but I have to try.  
**G D**  
I'll have to leave in dead winter,  
**A Bmaj7**  
and come back in July.  
**G D**  
I'll have to sing what I feel,  
**A Bmaj7**  
almost every night.  
**G**  
But if this does anything,  
**D A**  
and it will you'll see.  
**G**  
I'm gunna do everything,  
**D A**  
to put you next to me.  
**D**  
This is keeping me up so I decided,  
**A G**  
to just give in, call it a night.  
**D**  
I've run out of different ways to tell you,  
**A G**  
what I've tried a million other times.  
**D**  
I doubt that I could leave you,  
**A G**  
and I still doubt you'd even care.  
**Em G**  
But how could I lead my life,  
**D**  
and always say truth but never dare.
