

**Money Is Not A Thing
The Mile After**

D
This won't be easy,
A Bmaj7
but I have to try.
G D
I'll have to leave in dead winter,
A Bmaj7
and come back in July.
G D
I'll have to sing what I feel,
A Bmaj7
almost every night.
G
But if this does anything,
D A
and it will you'll see.
G
I'm gonna do everything,
D A
to put you next to me.

D
This is keeping me up so I decided,
A G
to just give in, call it a night.
D
I've run out of different ways to tell you,
A G
what I've tried a million other times.
D
I doubt that I could leave you,
A G
and I still doubt you'd even care.
Em G
But how could I lead my life,
D
and always say truth but never dare.

Repeat Verse 1x

Repeat Chorus 2x

D A
I can feel the undertow.

Will it drown me?

Bmaj7

I don't know.

G

Don't ya see it's you I need.

D

Or will you leave me lost at sea?

A

You'll miss the sun, and offshore breeze.

Bmaj7

And I forgot to mention me.

G

I don't think that you should go.

I can't stand to be alone.

D A

Woah, woah oh.

G

I can't stand to be alone.

D A

Woah, woah oh.

G

I can't stand to be alone.

D A

Woah woah.

G

I can't stand to be alone.

D A

Woah, woah oh.

G

I can't stand to be alone.
