Verse 1:

Am7 Em

I remember the night we walked through the courtyard

Am7 Em

You said you wanted to be buried next to me someday

Am7 Em

Then you kicked off your shoes and you wrapped your arms all around me

Am7 Em

That was just three years ago today

Chorus:

Em D9sus4/A Am7

And love can make you sorry

Em D9sus4/A Am7

And love can make you sorry

Em

You?ve ever been born again

Verse 2:

Am7 Em

How about the world we used to pretend in

Am7 Em

We never needed no money or a job

Am7 Em

We acted like children with no supervision

Am7 Em

Together we believed in every superstition

Am7 Em

We made love in every known position

Am7 Em

That was just two months ago today

Chorus

Verse 3:

Am7 Em

I saw a picture of us today in the Sunday papers

Am7 Em

It looks like we're laughing

Am7 Em

But I'd swear we were crying

Am7 Em

I hope to God I can never trust again

Chorus:

Em D9sus4/A Am7

Cos love can make you sorry

Em D9sus4/A Am7

Oh, love can make you sorry

No no no no

Em D9sus4/A Am7

Love can make you sorry

Em D9sus4/A Am7

And love can make you sorry

Am7 Em

Sorry
