The Milk Carton Kids - I Still Want a Little More

**B** **A** **E**  
Did you ever think the earth would shake for me once more?  
**B** **A** **E**  
I want to see the sky light up over this city left for poor  
**C#m** **F#** **B**  
Everybody s screaming; no one here can ask what for

**A** **B**  
And I just can t shake this feeling

**A** **E** **B** **C#m**  
That we re outta luck and nothing more  
**A** **E** **B** **C#m**  
A pound of dust, a holy war  
**G#** **C#m** **B** **F#**  
A photograph, I begged and I swore  
**A** **B** **E**  
But I still want a little more

**B** **A** **E**  
Run the luck out of this town a bucking crown ain t no disguise  
**B** **A** **E**  
I m left to stop the bleeding with a hope to re-a-lize  
**C#m** **F#** **B**  
My misery is teeming; my heart could be stealing yours

**A** **B**
