C   G
Nothin is real
        Em   D
You re foolin yourself
C   G
Nothin is real
     Em   D
I m sick to my stomach
          C   Am   D   D7
There s got to be somethin else
C   G
Nothin is real
      Em   D
Your mother s a program
         C   G
You re losin your mind
C   G
True love is binary
Am   D
Beauty s a lie

[Chorus]

[Verse 2]
C   G
Nothin is real
Em   D
Open your heart
C   G
All that you feel
    Em   D
Is coded and prisoned

```
    C              Am   D      D7
In pixels and algorithms
C           G
Nothin  is real
     Em           D
The wind isn t blowin
      C            G
The sun doesn t shine
C               G
Songs are just sub-routines
Am        D
Values aside
```

[Chorus]
```
Am        D
I don t mind
Gmaj7    F    C
I don t mind
Am        D
I don t mind
          Gmaj7
How could I?
          E7
How could I?
          Am   D
How could I?
```

[Chorus]
G Em x2
