(Verse)

And you re in love, with the idea of

Feeling good, all of the time!

And you gotta give, just to be that free

And that means ohh, in the fiery line!

(Chorus)

No, no, I don t feel like going home

I said, no, no, I don t feel like going home

Because of what you said:

You broke up the family, what you said  
Broke up the family, what you said  
Broke up the family, you broke up my Family!

(Little instrumental space for soloing over E and main riff)
