The Mills Brothers

A7+5 A7 D D6

Tell me where do they go,

A7+5 A7 Fdim D DM7 D7 D7/F#

These smoke rings I blow each night?

G G/E Em7-5 A7 A7+5 D Bm7 Em7 A7

What do they do these circles of blue and white?

A7+5 D D6 A7+5 A7 Fdim D DM7 D7 D7/F#

And why do they seem to picture a dream of love?

G G/E Em7-5 A7 A7+5 D

Why do they fade my phantom parade of love?

D D6 A7+5 A7 Fdim D DM7 D7 D7/F#

Where do they end, the smoke rings I send on high?

G G/E Em7-5 A7 A7+5 D Bm7 Em7 A7

Where are they hurled when they ve kissed the world good-bye?

A7+5 D D6 A7+5 A7 Fdim D DM7 D7 D7/F#

Oh, I d give my life to laugh at this stife be - low;

G G/E Em7-5 A7 A7+5 D

I d be a king, I d follow each ring I blow.

D D6 A7+5 A7 Fdim D DM7 D7 D7/F#

Puff, puff, puff, puff your cares away;

G G/E Em7-5 A7 A7+5 D Bm7 Em7 A7

Puff, puff, puff night and day.

D A7+5 D6 E7/9 Bm7-5 E7

Blow, blow them through the air, silky little rings,

G G/E Em7-5 A7 A7+5 D Bm7 Em7 A7

Blow, blow them ev rywhere, give your troubles wings.

D D6 A7+5 A7 Fdim D9

What do they tell and what is the spell they cast?

G G/E Em7-5 A7 A7+5 D Bm7 Em7 A7

Some of them fall and seem to recall the past.

A7+5 D D6 A7+5 D6 E7/9

But most of them rise away to the skies of blue.
