

A Thousand Years Away
The Minus 5

The Minus 5, A Thousand Years Away.
Tabbed by Michial Farmer, thebarbie@vagrantcafe.com.

Intro: **G C G C**

G
Our star is cold and cruel

We don t deserve a sun
C **Em**
Our minds cathedral doors and boarded shut

G
Where once were miracles

The barren last-ditch now
C **Em**
How better to have been more like a cow

C
To all the saints and scientists

G D
With fire and comet haze

C
I m happy to accept my fate

G
A thousand years away

A thousand years away
C

A thousand years away

G
The void of space is crowded

With populations gone
C **Em**
To never know the past would be too soon

C
To all the saints and scientists

G D
With fire and comet haze

C
I m happy to accept my fate

G

A thousand years away

A thousand years away

C

A thousand years away

G

A thousand years away

C

A thousand years away

G

Call this place what you want

Call it a dying sun

C

Em

We left a trail of pissed-off better ones

C

To all the saints and scientists

G D

With fire and comet haze

C

I m happy to accept my fate

G

A thousand years away

A thousand years away

C

A thousand years away

G

A thousand years away

C

A thousand years away
