

So Over You  
The Mission District

**Em** **C**  
And one more night to make this happen,  
**Em** **D**  
And one last chance to hold your hand.  
**Em** **C**  
And just one kiss to get this going,  
**Em** **D**  
And one more hope to understand.  
**C** **Em**  
And darling don t get so worked up,  
**C** **D** **C**  
And everything will be just fine.  
**Em**  
And darling don t get so hung up,  
**C** **D**  
You know you ll never change my mind.  
**C**  
What can I say?  
**Em**  
What can I do?  
**C**  
Your still in love,  
**D**  
But I m so over you.  
**C** **Em**  
Oh oh oh.  
**C**  
I m so over you.  
**Em**  
Oh oh oh.  
**C**  
And all the things that you do.  
**Em**  
Oh oh oh oh.  
**C** **D**  
I m so over you, tonight.

One more night to make this happen,  
And one more chance to hold your hand.  
And just one kiss to get this going,  
And one more hope to understand.

And darling don t get so worked up,  
And everything will be just fine.  
And darling don t get so hung up,

You know you ll never change my mind.

What can I say?  
What can I do?  
Your still in love,  
But I m so over you.

The things you say,  
The games you play,  
there s nothing, there s nothing, that can take it away.

Oh oh oh.  
I m so over you.  
Oh oh oh.  
And all the things that you do.  
Oh oh oh oh.  
I m so over you, tonight.

**D** Oh no, gonna try and let it go, **Em**  
**C**  
don t wanna see you standing in the cold.

**D** Oh no, gonna try and let it go, **Em**  
**C**  
you ve always made it, made it on your own.

What can I say?  
What can I do?  
Your still in love,  
But I m so over you.

The things you say,  
The games you play,  
there s nothing, there s nothing, that can take it away.

Oh oh oh.  
I m so over you.  
Oh oh oh.  
And all the things that you do.  
Oh oh oh oh.  
I m so over you, tonight.

And one more night to make this happen,  
And one last chance to hold your hand.

And one more night to make this happen,  
And one last chance to hold your hand.

And one more night to make this happen,  
And one last chance to hold your hand.
