[Play verse/chorus as first verse/chorus]

And while we re talking in tongues  
Of animal behaviour  
With a flick of the wrist you could ve broken my heart  
And done yourself a favour  
And I cry in the heat  
For the promised and given  
The hand I once would trust  
Now for the love of heaven  
You won t see me  
See me for dust

And we close our eyeas  
To love again  
And we close our eyes  
To love again  
Love again  
With bated breath for the kingdom come  
With bated breath for the kingdom come  
With bated breath for the kingdom come  
With bated breath for the kingdom come

[End on Am]
