**E Esus4**

I m not scared anymore

E/B Bm Bm/C Bm/C

I m not scared of the dark when I sleep with you

**E Esus4**

and I m feeling alive

E/B Bm Bm/C Bm/C

and I m feeling strong again when I m with you

CHORUS:

**A E/F#**

And it hits me

**Bm D**

Just like a runaway train

**A E/F#**

And it blows me away

**Bm D**

Just like a hurricane

**F#m D A E/F#**

You can make me happy and I hope you feel the same

**F#m D A E/F#**

You make me feel just like a child, a child again

I m not trapped anymore

Between Madonna and the whore when I lay with you

And the days run away

Like wild horses run away when I m with you

And I m breathing you in

Just like the morning air

And I m wrapping you around

Just like a skin to wear

Oh sweet thing

I m born once again

For you sweet thing  
Just like a baby again  
You make me happy and I hope you feel the same  
And I m in Heaven and it feels like a gentle rain  
You make me happy and I want you to feel the same  
You make me feel just like a child  
A child again
