

You Make Me Breathe
The Mission

G **G/F#** **Em**
Never knew how much you can mean to me
G **G/F#** **Em**
Till the moment you saw how untrue I could be
C
Never meant to cause you sorrow
C/B **Am** **G**
Never meant to cause you any pain
C
But with all the best intentions
C/B **Am** **C**
I can't promise I won't do it again

G **G/F#** **Em**
I don't know what it is that drives me to make me want to throw it all away
G **G/F#** **Em**
Cos you're really very precious and I do so dearly want you to stay
C **C/B** **Am** **G**
Gets harder all the time to be away from you
C **C/B** **Am**
And I want to work it out so you can grow to trust me too
C **G**
Like I trust you

G **G/F#** **Em**
Time is not the healer I was hoping he would be
G **G/F#** **Em**
I'm still tender and bruised but I want you to touch me
C **C/B** **Am** **G**
There's healing in your touch and you're the one I need to be with
C **C/B** **Am** **C**
I want to give myself to you give you all I have to give
G **G/F#** **Em**
You made me live
G **G/F#** **Em**
You made me breathe
G **G/F#** **Em**
You made me breathe
