You Make Me Breathe The Mission

You made me breathe

G/F# Never knew how much you can mean to me Till the moment you saw how untrue I could be Never meant to cause you sorrow Never meant to cause you any pain But with all the best intentions I can t promise I won t do it again G/F# Em I dont t know what it is that drives me to make me want to throw it all away G/F# Cos you re really very precious and I do so dearly want you to stay C/B Gets harder all the time to be away from you And I want to work it out so you can grow to trust me too Like I trust you G/F# Time is not the healer I was hoping he would be G/F# I m still tender and bruised but I want you to touch me C/B G There s healing in your touch and you re the one I need to be with C/B I want to give myself to you give you all I have to give G/F# Em You made me live G/F# Em You made me breathe G G/F# Em
