

You Make Me Breathe
The Mission

G# **G#/F#** **Fm**
Never knew how much you can mean to me
G# **G#/F#** **Fm**
Till the moment you saw how untrue I could be
C#
Never meant to cause you sorrow
 C#/B **Bbm** **G#**
Never meant to cause you any pain
C#
But with all the best intentions
C#/B **Bbm** **C#**
I can't promise I won't do it again

G# **G#/F#** **Fm**
I don't know what it is that drives me to make me want to throw it all away
 G# **G#/F#** **Fm**
 Cos you're really very precious and I do so dearly want you to stay
 C# **C#/B** **Bbm** **G#**
Gets harder all the time to be away from you
 C# **C#/B** **Bbm**
And I want to work it out so you can grow to trust me too
C# **G#**
Like I trust you

G# **G#/F#** **Fm**
Time is not the healer I was hoping he would be
 G# **G#/F#** **Fm**
I'm still tender and bruised but I want you to touch me
 C# **C#/B** **Bbm** **G#**
There's healing in your touch and you're the one I need to be with
 C# **C#/B** **Bbm** **C#**
I want to give myself to you give you all I have to give
 G# **G#/F#** **Fm**
You made me live
 G# **G#/F#** **Fm**
You made me breathe
 G# **G#/F#** **Fm**
You made me breathe
