

You Make Me Breathe  
The Mission

A A/F# F#m  
Never knew how much you can mean to me

A A/F# F#m  
Till the moment you saw how untrue I could be  
D

D/B Bm A  
Never meant to cause you any pain  
D

But with all the best intentions  
D/B Bm D  
I can't promise I won't do it again

A A/F# F#m  
I don't know what it is that drives me to make me want to throw it all away  
A A/F# F#m  
Cos you're really very precious and I do so dearly want you to stay

D D/B Bm A  
Gets harder all the time to be away from you  
D D/B Bm  
And I want to work it out so you can grow to trust me too  
D A  
Like I trust you

A A/F# F#m  
Time is not the healer I was hoping he would be  
A A/F# F#m  
I'm still tender and bruised but I want you to touch me  
D D/B Bm A  
There's healing in your touch and you're the one I need to be with  
D D/B Bm D  
I want to give myself to you give you all I have to give  
A A/F# F#m  
You made me live  
A A/F# F#m  
You made me breathe  
A A/F# F#m  
You made me breathe
