This song has two main riffs. listen to the record to get the feeling
of the time, etc, but the basic rifs are the E riff :

```
e-0---0-----0--|
B-0---0-----0--|
G-1---1-----1--|
D-2---2-----2--|
A-2---2-----2--|
E-0---0---3---5---3---0--|
```

I guess that would be written as E E/G E/A E/G E , but it is
easier for me to think of it this way.

The A riff is about the same except it uses an A intead of an E.

```
e-0---0-----0--|
B-2---2-----2--|
```

G-2---2-----2--|
D-2---2-----2--|
A-0---0-----0--|
E-X---X---3---5---3---X--|

The chord progression during the organ solos sounds like:

E A E B E
