Modern Lovers - Dignified and Old

Here is another tab/chord chart for a song from the
Modern Lovers 1976 album, *The Modern Lovers.*
I would be extremely interested in hearing from
anybody with corrections, comments, etc.

Thanks,

Dignified and Old

These are the chords to this song. I am not sure that I have the last
line 100% correct. Please let me know if there are any corrections. I
think I am missing something at the very end.

This chord pattern repeats throughout the song.

Someday I think I ll be dignified and old

Well my friends say that I decieve myself
And that I contradict myself
And I can t say if they re right
But I m not ashamed
Oh I can take a challenge
And so I won t die

Someday I ll be dignified and old
I know it
And I say hey kids
(Hey kids)
I said hey kids
(Hey kids)
I say someday we ll be dignified and old
That s right
I said some day we ll be dignified
(Hey kids, Hey kids)
Someday we ll be dignified
(Hey kids, Hey kids)
Someday we could be dignified and old together

Well now
Look at the mountain
My girl and I used to stand on the mountain
And the sun shines, she s dead, and I cry
But I can see through this death and the sadness
And so I won t die now
Someday I wanna be dignified and old

Well now, see the desert
I sit all alone in the desert
And no girl understands me
But I can see through this bleakness and grey and sadness
And well I won t die now
Someday I ll be dignified and old
I say, you, don t die now
Someday we ll be dignified and old together
