We Are Young
The Moffatts

Intro: **G D C D** (x2)

***G**
    Do you remember me
***D**
     Cause I remember you
***C**
    I was a little scared
     D
I never knew what I could do
***G**
    It was like a light
***D**
    In the middle of the night
***C**   **C**
D   **C**
    When I realized that fear was something I could lose
                       D
I ll never turn around, anymore

Chorus:
            G   **D**
We are young, we are free
            C   **D**
You can run away with me
             G   **D**
We are young, we are free
        C   **D**
If you only believe
            G   **D**   **C**   **D**
That everything you want is not so far away
          C   **D**   **G D C D**   **G D C D**

We are young, we are young, forever   forever

(verse 2 same chords as verse 1)

Everywhere to go, everything to see
If you wanna know, just take my hand and come with me
Just another day, living my own way
If you take a chance then you can have your fantasy
I ll never turn around, anymore

Chorus

Adlib: **G D C D** (x4)

```
Em                              D
     If you don t believe
                          C
In all of your dreams
                               D              Em
Then your fear will never go away
                          D
If you open your eyes
       C
I know you will see
                      D
That we re young and we re free
```

Chorus
