G7

C

Cm

Tons and tons of things are there

G

G7

C

Cm

Take me on a rollercoaster

G

Yeah

-Break-

Repeat for next verse and chorus:

I could race a car
through a tunnel in my yard
make these hills too steep to climb
so much steeper in my mind
Should I feel bad
Cause now I know

How to stay but still I go
Iâ€™m confused
And now you look so spunkified

Take me to the county fair
Tons and tons of things are there
Take me on a rollercoaster
Yeah
