It s hard to remember to smile

Just like all of your toys

Don t you ever feel kinda sad

Cause you re lonely?

Thinkin bout the love that we had?

Are you lonely?

Just like all of your toys

When all of your playthings someday disappear

Just like all of your toys, I don t wanna be

Just like all of your toys, I don t need to be

Just like all of your, just like all of your toys
