

Day We Fell In Love
The Monkees

lyrics from reprint of 1967 sheet music

SPOKEN:

C F Bb F C
There ll be birds singin everywhere

C F Bb F C
And the wind will be blowin through your hair

SUNG:

F C
I ll look in your eyes

F C
And wait for the prize

F Bb G7 Am
Your lips kissing mine with a love that is real

Dm7 E7
And you ll look so young and fair

F C
On the day we fall in love! You and me

Dm7 Bb
On the day we fall in love

G
You ll see

SPOKEN:

C F Bb F C
There ll be rainbows reachin cross the sky

C F Bb F C
And we ll both be so happy we will cry.

SUNG:

F **C**
We ll walk hand in hand

F **C**
In snow or in sand

F **Bb** **G7** **Am**
Whether roses are blooming or snowmen stand by

Dm7 **E7**
Time will stop for you and I

F **C**
On the day we fall in love! It will be

Dm7 **Bb** **G7**
On the day we fall in love

C
You ll see

Bb **G7** **C**
And if the lines that I say fall apart

Am **Dm7** **G**
It s because I won t know where to start

F **Bb** **G7** **Am**
But you ll understand when I say them to you

Cm7 **E7**
Cause they ll come straight from my heart

F **C**
On the day we fall in love, you and me

Dm7 **Bb** **G7**
On the day we fall in love

C
You ll see
You ll see
You ll see
