

Hold On Girl  
The Monkees

lyrics from reprint of 1967 sheet music

**Em** **D** **C** **B7**  
I know about the guy who treated you so bad

**Em** **D** **E** **E7**  
He took your love and then just walked away

**Am** **D7**  
I know that you have got

**G** **Em**  
A reason to be sad

**Am**  
But help

**D7** **G**  
Is on its way

**Bm** **G7** **Cmaj7**  
So hold on girl  
Be a little bit stronger  
Hold on girl  
Wait a little bit longer

**Am7** **D7**  
Hold on girl

**A7** **C** **B7**  
Help is on its way

**Em** **D** **C** **B7**  
I know you feel as though your world is at an end

**Em** **D** **E** **E7**  
But you don't have to live with yesterday

**Am** **D7**  
I promise you the sun

**G** **Em**  
Is gonna shine again

**Am**

And help

**D7        G**

Is on its way

**Bm    G7 Cmaj7**

So hold on girl

Now that we are together

Hold on girl

Things are gonna be better

**Am7    D7**

Hold on girl

**A7 C    B7        Em**

Help is on its way
