IT S NOT TOO LATE  
by The Monkees (David Jones)  
\*\*\*\*\*

This song is actually played in F, but it s a lot easier if you play it in  
G. I got the lyrics out of the JUSTUS CD.

Intro: **G-D-Em-C-G-D-G** (2x)

Vs. 1:

**G** **D**  
If I had a penny  
**Em** **C**  
For every time that I thought about you  
**G** **D** **G**  
I would be a millionaire.  
**G** **D**  
I would send you flowers each day  
**Em** **C**  
And I would show you in every way  
**G** **D** **G**  
Just how much I really care.

Vs 2:

The summer sin, and the winter snow  
The autumn leaves and the spring rains know  
Just how much I need your love  
And if I knew that my time was near and you were there  
I would have no fear  
Your name would be my dying prayer.

Chorus:

**G** **C** **D**  
It s not too late to turn this ship around  
**G** **D** **Em** **C** **D**

To sail into the wind my love before we run aground

G C D

It s not too late to say that I love you

G D Em C D

And it s not too late for you my love to say you love me too

G

It s not too late.

Vs. 3:

If I was a rich man s son

I would work till the day was done

Just to prove my love was true

I would take you for my wife

And I would love you all my life

I would never leave or be untrue.

(Chorus)

Vs 4:

You know our future and your feelings

And the love that I have for you

They re always on my heart and on my mind

A neverending love affair

We d go together everywhere

Our love will last until the end of time

(repeat Vs. 4)

(Chorus 2x)

And then I m not sure of the ending chords, stupid me. But the words go:

It s not too late

It s not too late

It s not too late, to turn this ship around.
