

**Laugh**  
**The Monkees**

lyrics from reprint of 1967 sheet music

**G7**

Ev ry face that I see  
Is all wrapped up in frowns  
And unfortunately  
It kind of gets me down

**C**            **G**  
Laugh

**C**                    **G**            **C**            **G**  
Cause the music is funny

**C**                    **G**                    **C**            **G**  
Yea the bass sounds offbeat

**C**    **G**                    **C**            **G**  
Ain t that neat?

**C**            **G**  
Laugh

**C**                    **G**                    **C**            **G**  
When you lose all your money

**C**                    **G**                    **C**            **G**  
Or you can t find your shoes

**C**            **G**                    **C**            **G**            **C**  
To cover your feet

**G7**  
It s not too hard to see

**F**                    **C**  
Exactly what I m after

**G7**  
Sometimes a tear should fall

**F**                    **C**  
But I require giggles  
And chuckles  
Ho ho ho!

C G  
Laugh

C G C G  
When you re keeping a secret

C G C G  
And it seems to be known

C G C G  
By the rest of the world

C G  
Laugh

C G C G  
When you go to a party

C G C G  
And you can t tell the boys

C G C G C  
From the girls

**G7**

Ev ry face that I see  
Is all wrapped up in frowns  
And unfortunately  
It kind of gets me down

C G  
Laugh

C G C G  
At the things that are wrong

C G C G  
If you think it s this song

C G7 C  
Then laugh

C G7 C  
Then laugh
