

Papa Genes Blues
The Monkees

a vastly underated tune. played a bit different than the other version found here. TREVOR BERNS

A **A/G#** **A/F#** **A/E**
No heartaches felt, no long and lonely

A **A/G#** **A/F#** **A/E**
Nights of waiting, finally won me

A **A/G#** **A/F#** **A/E** **Bm** **E**
Happiness that s all rolled up in you

And now with you as inspiration
I look toward a destination
Sunny bright that once before was blue

D F
I have no more than I did before
A C#m F#m
But now I ve got all that I need
Bm E E6 A
For I love you and I know you love me

So take my hand I ll start my journey
Free from all the helpless worry
That besets a man when he s alone

For strength is mine when we re together
And with you I know I ll never
Have to pass the high road for the low

I have no more than I did before
But now I ve got all that I need
For I love you and I know you love me

Yes, I love you and I... know... you....love....me!
