**C** **Dm**  
Sometime in the morning  
**Em** **Dm7** **G7**  
A simple thought may occur to you  
**C**  
And you ll hold her  
**Dm** **G** **Em**  
And tell her all the things you  
**Dm** **G7**  
never told her  
**F** **C**  
Your love has shown me things  
**F** **C**  
I never thought I could see  
**G7** **C**  
I didn t know  
**F** **C**  
It could be done so easily  
**G7** **C**  
Now I know  
**F** **C** **G7**  
You re where it is for me.  
  
**C** **Dm** **G**  
Sometime in the evening  
**Em** **Dm7** **G7**  
You re sitting there by the fireside  
**C**  
And she ll touch you  
**Dm** **G** **Em** **Dm** **G7**  
And then you ll realize how much you  
**F** **C**  
Never knew before

**F** **C**  
How much you couldn't see  
**G7** **C**  
You didn't know

**F** **C**  
It could be done so easily  
**G7** **C**  
Now you know

**F** **C** **G7**  
She's all a girl could be

**F** **C**  
Now

**G7** **C**  
In her childlike eyes

**F** **C**  
You see the beauty there

**F** **C**  
You know it was always there

**F** **C** **D7**  
And you need no longer wear a disguise

**G7** **C**  
Sometime in the morning

**F** **C**  
You'll just reach out

**G7** **C**  
and she will be there

**F** **C** **G7**  
Close as the summer air

**C** **Csus4**  
Sometime in the morning

**C** **Csus4**  
She will be there

**C** **Csus4**  
Sometime in the morning

**C** **Csus4**  
She will be there
