Why am [G] I in [C] love in [D] stereo
with a [G] girl on [C] either [D] side
you might [Em] well look [C] on and [D] envy me
[C] but this feelinâ€™ [G] isnâ€™t so hi-[D] fi

Just a boy in love in stereo
when we dance itâ€™s not much fun
I canâ€™t choose â€™cause theyâ€™re identical
and I canâ€™t move without the other one

[C] One wants to stay at home the [G] other wants a night out
[C] One wants to read in bed the [G] other wants the light out
[C] I really donâ€™t know what to [D] do â€™cause Iâ€™m in love with [G] you...
and [G]
[Em] you [D]

[G] Ohhhhh ohhhhh [Em] Ohhhhh ohhhhh
[C] Ooooo [D] ooh
[C] Yeah yeah [D] yeah

Why am I in love in stereo
where to start, I canâ€™t decide
â€™cause makinâ€™ love is two-dimensional
and Iâ€™m much more a mono man inside

Now that Iâ€™m in love in stereo
Thereâ€™s one thing I canâ€™t deny
ooh when we kiss, we reach high-frequency
but I prefer the reproduction side

One wants to stay at home the other wants a night out
one wants to read in bed the other wants the light out
one wants to marry me the other wants to break up
one wants to call it off the other wants to make up
I really donâ€™t know what to do, â€™cause Iâ€™m in love with you...
and you and you

Why am I in love in stereo

Ooh why am I in love in stereo

I said why am I in love in stereo why am I in love in stereo why am I in love in stereo

[repeat and fade.....]
