

Today I could cry I could reach for the sun

**G** **F** **C**  
I m walking on air n I m here n I m there

**G** **Am** **D**  
I travel the sky but for what I don t care

**G** **Am** **C** **G**  
Fly me straight and fly me high

**G** **Am** **C** **G**  
Fly me straight and fly me high
