Why do we never get an answer, when we re knocking at the door  
With a thousand million questions, about hate and death and war  
Cause when we stop and look around us, there is nothing that we need  
In a world of persecution, that is burning in its greed

It s not the way that you say it, when you do those things to me  
It s more the way that you mean it, when you tell me what will be  
And when you stop and think about it, you won t believe it s true  
That all the love you ve been giving, has all been meant for you

I m looking for, someone to change my life

F C G7 C F

F C G7sus C

Between the silence of the mountains, and the crashing of the sea  
There lies a land I once lived in, and she s waiting there for me  
But in the grey of the morning, my mind becomes confused  
Between the dead and the sleeping, and the road that I must choose
