So Deep Within you (Moody Blues)

Dm **Asus4** **A**
% Talk to me baby, I want to sleep at night
Cool wind is blowing, through your crazy hair
Love s incense lingers, it never fades away
My love is burning, like a forest fire

Dm **Asus4** **A**
My heart is heavy, it s weighed down by the night
Warm colours flowing, this feeling we have shared
Like you I m waiting, for our special day
My heart is yearning, I feel a warm desire

Dm **Asus4** **A**
And now I m lonely, I want to see the light
And now I m lonely, I want to feel the love
And now I m lonely, I want to feel the love
And now I m lonely, I want to touch the fire
