The Sun Set (Moody Blues)

Gm

When the sun goes down, and the clouds all frown

F

Night has begun for the sunset

Gm

See it with your eyes, earth s re-energised

F

By the sun s rays every day

Gm

Take a look out there, planets everywhere

Gm

When the sun goes down, and the clouds all frown

F

Night has begun for the sunset

Gm

Shadows on the ground, never make a sound

F

Fading away in the sunset

Gm

Night has now become, day for everyone

Dm **C** **Dm**
I can see it all from this great height

C **Dm**
I can feel the sun slipping out of sight

Gm **C7** **Gm**

And the world, still goes on, through the night
