Survival (Moody Blues)

**D A G A**  
% Shadows of night, falling over my head  
Shadows of days, hanging endless in time

**D A G A**  
People walking, passing me by  
Slowly fading, passing us by

**D A G A**  
Shadows of dreams, falling out of the blue  
Shadows of worlds, disappearing from view

**D A G A**  
People talking, what can I do  
People asking, what could we do [ extra bar ]

**G A D Bm G A D**  
Where do I go from here, where do I go from here

**G A D Bm**  
I could give you any dream and watch it grow  
If I gave you every dream, would they grow

**G A D Bm**  
I could take you for a ride but you would know  
If I took you for a ride, would you know

**G A D Bm F#m**  
I could tell you every answer that I know, it wouldn t be much though  
If I told you every answer that I know, it wouldn t be much though

**Em A6 A**  
It wouldn t be anything you didn t know

**D Em A**  
But survival, nothing more than survival
