Talking Out Of Turn - Moody Blues

F **Gm** **Am**
When I took a little loving from you

Gm **Bb** **F** **Gm**
Oh I, never thought about the hurting inside

F **Gm** **Am**
But I took a little more than I should

Gm **Bb** **F** **Gm**
Oh why, can't explain that I ever would

F **Gm** **Am** **Gm**
Let you slip through my fingers

F **Gm** **Am** **Gm**
Let you escape like yesterday

F **Gm** **Am** **Gm**
I would appreciate you knowing

F **Gm** **Am** **Gm**
I thought your love had come to stay

Bb

F
When will I learn

Bb
Talking out of turn Shot to pieces

F
When will I learn

F **Gm** **Am**
But I took a little more of your each day

Gm **Bb** **F** **Gm**
When I didn't see that I was breaking you apart

F **Gm** **Am**
With angry words of love I didn't mean

Gm **Bb** **F** **Gm**
Oh why, can't believe that I ever would

F **Gm** **Am** **Gm**
Talk myself out of tomorrow
Talked like a fool to yesterday

And as the evening loses colour
Your love began to fade away
