Is coming into play, is here and now today

This is the moment, this is the time

When the momentum and the moment are in rhyme

Give me this moment, my precious chance

**Bb**

**C**

**Gm**

**C**

I ll gather up my past, and make some sense at last

**F**

This is the moment, when all I ve done

**Dm**

**Bb**

All of the dreaming, scheming and screaming becomes one

**Gm C**

**Am**

This is the day, just see it shine

**Dm**

**Gm**

**C**

**F**

When all I ve lived for, becomes mine

**F**

This is the moment, this is the hour

When I can open up tomorrow, like a flower

And put my hand to, everything I ve planned to

Fulfil my grand design, see all my stars align

This is the moment, my final test

Destiny beckoned, I never reckoned second best

I won t look down, I must not fall

This is the moment, the sweetest moment, of them all

This is the moment, so damn all the odds

This day or never, I ll sit forever with the Gods

When I look back, I will recall

Moment for moment, this was the moment

The greatest moment, of them all
