Twilight Time " The Moody Blues

By: Ray Thomas

From: Days of Future Past

G **Eb**
Twilight time to dream awhile,
F **Gm**
In veils of deepening blue.
G **Eb**
As fantasy strides, over colorful skies,
F **Gm**
Of form disappearing from view.

Cm **D** **Cm** **D**
In twilight time, dream with me a-while.

G **Eb**
A nightingale plays a dark mellow phrase,
F **Gm**
Of notes that are rich and so true.

An aerial display by the firefly brigade,
F **Gm**
Dancing to tunes no one knew.

Cm **D** **Cm** **D**
In twilight time, dream with me a-while.

Cm **D** **Cm** **D**
In twilight time, dream with me a-while.

Cm **Eb** **F** **G**
Building castles in the air,
Ab **Bb** **Cm**
Whistling to the wind.
Cm **Eb** **F** **G**
As nature bows down her head,
Ab **Bb** **Cm** **G**
See what to-morrow brings.

In twilight time, dream with me a-while.

Bats take to wing like puppets on string,

Prancing through cool evening air.
