Twilight Time " The Moody Blues

By: Ray Thomas

From: Days of Future Past

G# **E**
Twilight time to dream awhile,
F# **G#m**
In veils of deepening blue.
G# **E**
As fantasy strides, over colorful skies,
F# **G#m**
Of form disappearing from view.

C#m **Eb** **C#m** **Eb**
In twilight time, dream with me a-while.

G# **E**
A nightingale plays a dark mellow phrase,
F# **G#m**
Of notes that are rich and so true.
G# **E**
An aerial display by the firefly brigade,
F# **G#m**
Dancing to tunes no one knew.

C#m **Eb** **C#m** **Eb**
In twilight time, dream with me a-while.
C#m **Eb** **C#m** **Eb**
In twilight time, dream with me a-while.

C#m **E** **F#** **G#**
Building castles in the air,
A **B** **C#m**
Whistling to the wind.
C#m **E** **F#** **G#**
As nature bows down her head,
A **B** **C#m** **G#**
See what to-morrow brings.

C#m **Eb** **C#m** **Eb**
In twilight time, dream with me a-while.

G# **E**
Bats take to wing like puppets on string,
F# **G#m**
Prancing through cool evening air.
G# **E**

In a sightless glide, no reason to hide
