English summer
A **Em**
Eating up the atmosphere

Day-time bathers
A **B7**
Sleep in the shade
Em
Clouds crawl over
A **Em**
Dampening our attitudes

B7 **Em**
People run for shelter from the pouring rain

Em B7 Em

A **Em**
Oh, this is the English summer
B7 **Em**
Oh, this is our brightest day
A **Em**
Oh, this is the English sun

B7 **Em**
So close your eyes and try to dream the weather away

Em B7 Em

Em
Terraced houses
A **Em**
Filling up with dragonflies

Wild-eyed lovers

A **B7**
Savour the day

Em
Local artists

A **Em**
Draw upon the paving stone

B7 **Em**
Till the rain, the thunder come and wash it away

A **Em**
Oh, this is the English summer

B7 **Em**
Oh, this is our brightest day

A **Em**
Oh, this is the English sun

B7 **Em**
So close your eyes and try to wish the weather away

Em B7 Em

A Em B7 Em A Em B7 Em

Em B7 Em

Em
Planes fly over

A **Em**
Drawing lines upon the sky

North-bound traffic

A **B7**
Stuck in the rain

Em
Factory workers

A **Em**
Walk around like silhouettes

B7 **Em**
And hope the English summer comes to brighten their day

A **Em**
Oh, this is the English summer

B7 **Em**
Oh, this is our brightest day

A **Em**
Oh, this is the English sun

B7 **Em**
So close your eyes and try to wish the weather away
