Grain of Salt

(Verse 1)

C
take my heart with a grain of salt
C
its been broken but its no bodies fault
Dm
i cant move by
G
and i ve paid the price
C
many times over for everyone i know
C
i shouldn t be here
C
many miles from everything that i hold dear
Dm
but life is fine
G
no matter how hard you fight

(Chorus)

C **Am** **Dm** **G**
now ill have to go back to that place i know that

(Verse 2)

G, Dm, G again ^^ same as Verse 1

i stuck around i played the hand i was dealt
i can only think one way and i only feel the way i felt

but you keep changing planes
till it drove you insane
but we ended up pulling in at the same time keeps passin me by
while i sit and wait for everything i can find
but life is fine
no matter how hard you fight

C Dm G again

now ill have to (yea yea yea)
go back to that place (yea yea yea)
i know that (yea yea yea)
but i m happy (yea yea yea)
this time (yea yea yea)
i know that (yea yea yea)
this loves mine (yea yea yea)

I THINK this part goes... But I m not positive. Hope you can figure it out
better than me

C G Dm Am

i used to be afraid that i wouldn t find my love
but now i ve found a way to end in my salvation
