Oh Annie - The Morning Benders

[Verse]
```
E          G#   C#m    B
```
Where did I go wrong?
```
A       C#      F#m
```
I canâ€™t wrap my head around it.
```
          F#m   B
```
And Iâ€™ve followed my steps,
```
             E
```
And I havenâ€™t put a name on it.

[Verse]
```
E          G#   C#m    B
```
When I saw your face,
```
A       C#      F#m
```
I knew that I would try to change it,
```
          F#m           B
```
And it worked so miserably,
```
                 E
```
â€˜Cause now you wanna leave me.

[Chorus]
```
A       G#m  G#m7
```
Annie, oh Annie,
```
   C#m
```
How can you go?
```
   C#            F#m
```
I taught you everything and you know,
```
  B       A
```
You know, you know.

```
I heard you moved away,
```
A       C#      F#m
```
To a world a little warmer,

```
        F#m       B
And I’ll take you right back,
                  E
If you’re ever feeling dried out.

[Chorus]
A       G#m   G#m7
Annie, oh Annie,
   C#m
How can you go?
   C#              F#m
I taught you everything and you know,
  B        A
You know, you know.
