

Virgins

The Morning Benders

The **F** chord is played with high E string open. (Use your thumb to play the low E string)

Intro: **G Am G - F - G Am G**

F **Em**
All my lovers surround me like virgins screen today
F **Em** **F**
Waist-deep in the water, pushing my body away
Am **G**
What makes you go, to put the past away?
Am **G**
Oh how many drops can you squeeze out to display?
F
What happened one day?

F **Em**
And one of them stays behind and trails me from afar
F **Em**
I saw her eyes, lit up like colours in the dark
F **Am** **G**
But when our faces met, I was half a world away
Am **G**
It still shot into my breath as I turned to say

Dm **G**
Can we meet some other way?
Dm
Where you wont recognize my face
G
Can we meet one way or another you wont, you wont
C **Em** **Dm**
Speak up, Speak up, speak up

When we meet another way
You wont recognize my face
When we meet one way or another you wont
C **Em** **F** (Intro chords)
Speak up, Speak up, speak up

And one day it suits me, the next simply leaves me dry
It comes on like a lifetime, it passes until you die
How did it feel when it was to be anything at all
But somehow it strikes me, the timing came a bit off

Chorus repeat

Coda:

(Verse continuation)

You wont speak up - speak up x4

I recently uploaded my first take on this song and realised i put the verses as the intro, oops!
