

Wet Cement
The Morning Benders

Sorry if the chords are off with the lyrics, the site is subtracting random spaces

for some reason.

This was tabbed out for a beginner s solo acoustic. Feel free to use as a template, and enjoy!

[BEGINNING]:

C Em Dm C x2

[VERSE 1]:

C	Em
we met one day in wet cement	
	Dm
where we glued our eyes shut	
	G
and pressed with our fists	
C	Em
and while the trees are shrinking now	
	Dm
they forgot their roots	
	G
and sloped in the ground	

[PRECHORUS 1]:

Dm	G
and while I m picking out my favorite names	
C	Am
where our future is concerned	
Dm	G
in the steady blur of the days	
C	Am
what brought us here, why we try to say	

[CHORUS]:

Dm	G	C
we face back all the way		
	G	Dm
Whoa, whoa		
C	G	Dm
Whoa, whoa		

[INSTRUMENTAL]:

C Em Dm C

[VERSE 2]:

C	Em
now the cement s hardened in my chest	
Dm	G
a world of wax scraped in through text	
C	Em
and someone was calling just before I woke up	
Dm	G
my broken record spits good and bad luck	

[PRECHORUS 2]:

Dm	G
and with my broken, pale black eyes	
C	Am
I still see white when the snow falls lightly	
Dm	G
in the steady blur of the days	
C	Am
what brought us here, why we try to say	

[CHORUS]:

Dm	G	C
we face back all the way		
G	Dm	
Whoa, whoa		
C	G	Dm
Whoa, whoa		

[ENDING]:

Am	G
Ahhh, Ah	
Am	G
Ahhhh, Ah	
Dm	G
Ohhhhhh, Oh	
C	
Ohhhhhh
