The Morning Of**

Tell Me I m Wrong - The Morning Of

Tabbed by: februaryair

I worked out the chords but watching their LIVE recording of the song. In the video clip & Justin plays guitar with Capo on 7.

Y all don t have to play it with all the 9 s and sus4 s, you can still play plain

C, D, Em & G; it s really up to you.

Feel free to comment for corrections :)
